

Year 2 Christmas Homework

- Topic - Our topic next term is explorers so for homework, I would like you to research a famous adventurer or explorer, living or dead, man or woman (or child!) and create a poster all about them for our display. Be as creative as you like!
- Science - In Science, we are looking at materials. Go on a materials hunt at home. How many different types of materials can you find and what are they used for? Write your answers in your homework book.
- Maths - Keep practising number work on Numbots and start looking at your $\times 2$, $\times 5$, $\times 10$, $\times 3$ times tables on TT Rockstars and I will be looking at who is logging in and working on these apps. I will also set some maths work and games on Purple Mash and My Maths.

You have all worked so hard this term and we are very proud of you. Have a rest over the holidays ready for another busy term!

Love, the Year 2 Team
