

What will school be like when I go back?

Soon I will be going back to school. It will be different than before.

I will go back to school on **Monday 1st June**. Some classes will go back at different times to me.

Some things will be different. I will use the **car park path** and say "Goodbye" to my **Mummy OR Daddy** at **the gate**.

I will need to try hard not to touch my face.

If I need to cough or sneeze I will try to do it in my elbow.

All the people at my school will be washing their hands a lot more. I will too.

I will wash my hands when **I come into my classroom, before and after I eat and when I've been to the toilet.**

The people in my class haven't seen each other in a while. I will try not to touch other people.

Lunch time at school will be different. I will have a packed lunch. I will eat my lunch **in my classroom** then go outside **into the Early Years Yard**.

My school is the best place for me to do my learning. I will go to school again now.

On the weekend I will be home with my family.

Some of your **Friends** Are in Different Classrooms

Some of your **friends** are in a different classroom now,

I know this may make you fed up.

It is ok to feel **fed up** about this.

The scientists have said, so we can all **Stay Safe**,

we have to have **less people** in our classroom.

So that we can all **stay safe**, Reception Class has been

split into 2 new groups.

One with Miss Andrews as the teacher and Mrs Turner
and Mrs English as the Teaching Assistants

One with Miss Walker and Miss Jeffrey

When the scientists say it is **safe** for **all** of Reception
Class to be in the same classroom again, **WE WILL BE!**
