Dear Year 2 Children, Parents and Carers,

It is now! The weekend before the moment you have worked hard towards...SATs!

You know you have nothing whatsoever to worry about, you are well prepared, you are well practised, you are well taught and learned, you are 'well' in the place to sit the tests and SHINE! I have every faith in you and know that each and every one of you will do your utmost best in them, to make your parents and carers proud, the staff in school proud and most importantly yourselves proud!

Your SATs next week are simply to support what Miss Walker already knows about you and how well she knows you are doing in your work, they are nothing to worry about! It is your time to 'show off' that you can do it!

We know that SATs do not test the whole of you. They only tell us how you are doing academically and we all know that you are more than that.

Year 2, **YOU** are funny, hard working, caring, nurturing, supportive of one another, loving, talented in sport, singing, dancing, telling jokes, playing, helping, kind, tolerant, respectful and a joy to have in school. No test in the world can measure that; however I know, we know, I see it each and every day and I am so very proud of you all. Thank you!

Now, parents and carers, please try not to worry about the children next week, they are in the zone, they are well prepped and they are more than ready!

Children, take it easy this weekend, read a book, watch TV (nothing too late!), play outdoors with your friends and family, go on a bike ride...have a relax! You have done the work, you can do this!

Do your best, be your best and most of all, continue being the brilliant you that you all are!

Many thanks parents and carers for all your continual support, your children are terrific!

And finally... a huge big thank you to Miss Walker who has worked tirelessly all year together with Mrs Polli and Mrs Kenny to make sure you all enjoy fab learning and who make sure all your needs are catered for!

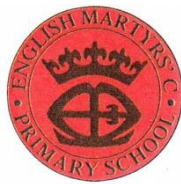

Yours sincerely,

Mrs A Howarth
