Monday 1st April 2019

Dear Parents and Carers,

You might notice at the bottom of the page, we have a new logo, 'Lancashire Education Awards'.

I was so very, very proud last week when I received an email from Mr Lucas, who is one of our Local Authority's Advisers, informing me that our fantastic school has been awarded a Lancashire Education Award for the amazing work we have all done to develop and improve Maths across the school.

A few months ago I sent in details of all we have achieved over the last 2 and a half years in Maths and how we have totally changed how we all see, teach and learn Maths here in school and what such a positive impact this has had on our attainment and progress across the whole school. Our School Adviser, Mr Wright, supported our achievements and also commented on how far we have come and the terrific progress made.

What is especially great about this award is that it recognises that at English Martyrs', if we know we need to improve something, we work together as a team family to succeed, this is recognition for this.

We have ALL worked hard as a team, staff, Governors, families and of course, the children. Thank you for all your support and I would like to take this opportunity to express my whole hearted thanks to the consistently hard working and dedicated staff who each and every day strive to make your children's learning, fun, exciting and purposeful helping them to achieve all their goals!

Another Spring Success for EM!

Well done one and all!

Many thanks as always for your continual support.

Yours sincerely,

Mrs A Howarth
Headteacher
