ELSA work (Emotional Literacy Support)

Attendance Support work

Anyone can use The Snug and all our EM Staff Family Team are there to support you!

It is a hive of activity, but no matter what is taking place, there is 1 central theme...

Nurture

in order to support our more vulnerable children.

'Be the one who nurtures and builds.

Be the one who has an understanding and a forgiving heart, one who looks for the best in people.

Leave people better than you found them'

'The Snug' & 'The Den'

Welcome to the English Martyrs' Snug!

Here in '**The Snug**', we welcome everyone...those who need a bit of quiet time to concentrate, those who need a bit of TLC, those who need to be calm and relaxed to work, those who need a bit of relaxation in '**The Den**'.

There is only one rule...

Respect...

respect everything in **The Snug**, **respect** anyone else in **The Snug** and **look after it!**

What is The Snug for?

It's for Breakfast each morning...

Each morning, some have breakfast in **The Snug**, those who need it...

Some need that extra bit of time to get ready to learn in class...

Some need it to socialise...

Some need it to chat and get worries off their chests...

Some need that little bit of extra TLC.

It's used for learning...

and to get ready for learning.

It's for working with children for English and Maths, working with their class plans...

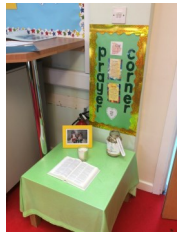
those children who might find working in the classroom too much and too distracting...

those children who need 1 to 1 work...

those children who just need a little bit of TLC for their learning...

They can do it in **The Snug**.

It isn't just academic learning that takes place in The Snug...

We do baking, painting, craft, games, reading, listen to music, relaxation...


Activities to help children be in the right emotional and mental state of mind they need to be ready to learn.
