Wednesday 6th February 2019

Dear Parents and Carers,

Yesterday was *National Online Safety Day*. We have been focussing on staying safe online and making the Internet a safer place for all.

Here in school, we do not set aside specific days to only focus on Online Safety, rather it is weaved into all we do from children logging on to any of our technology devices and in signing their home school agreement of acceptable use of digital technologies in school.

In line with National information and initiatives, attached to this letter is a sheet with tips to help you keep your child safe online, as well as some information to help keep teens safe!

As always, if you have any questions, worries, queries about Online Safety, either visit the *Safeguarding and Online Safety* section on our school website under *Key Information* or pop into the office for a chat.

Many thanks for your continual support in helping us keep your children safe in all areas of life, real and virtual!

Yours sincerely,

Mrs A. Howarth
Headteacher
