Tuesday 18th December 2018

Dear Parents and Carers,

As you know a few weeks ago, we held a *Children Helping Children* day here in school with donations for wearing non-uniform.

The amount raised will be shared between Vine House and CAFOD World Gifts.

Last week, the Chaplaincy Team spent a while looking at the CAFOD World Gifts site and they have chosen some items:

- ❖ The Gift of Play £27
- ❖ Teach a Child to Read £10
- ❖ Chirpy Chickens £20
- ❖ Trees for Life £8
- ❖ Happy Queen Bee £4
- ❖ The Net that Protects £7
- ❖ Vegetable Garden £10
- ❖ Wonderful Worms £10
- ❖ Fantastic Fish £20
- ❖ Water for a Family £33

CAFOD have the basic principle that as well as giving money where needed, they mainly give those in need overseas the resources and tools to sustain living. Therefore a village/child/family will receive a safe place to play, resources to support reading with children, a flock of chickens to breed and lay eggs, trees to plant and grow, seeds for their own vegetable garden, a protective mosquito net, worms which will help turn soil into healthy growing soil, fish that will keep on reproducing for future fishing and will clean, safe water to drink, wash and cook with.

More details can be found at www.worldgiftscafod.org.uk

I am so proud of our Chaplaincy Team in their choices, they hummed and hahhed about different gifts, but thought all of these reflected different elements of our kind, caring and nurturing school.

Thank you again for your unbelievable support and generosity, it makes such a difference not only to school but to children further afield.

Yours faithfully,

Mrs. A. Howarth
