Dear Parents and Carers,

As part of our Safeguarding Policy and Procedure, we require written permission off parents/carers if a child is to walk home alone.

As the days are getting darker earlier, we want to make sure all our children are safe.

If you wish your child to walk home alone, please complete the permission slip below and return to the class teacher.

Unfortunately, if we do not have a permission slip, we cannot allow your child to leave school premises and will need to phone to confirm.

In addition, whilst we appreciate and recognise that children bring their phones to school, especially if they walk to and from school alone, however, children must give their phone to their class teacher on arrival into school. School does not take any responsibility for phones in school. Children are not permitted to use their phones in school or anywhere on the school premises as this is against school policy and also our Safeguarding Policies and Procedures.

Many thanks in your support in keeping our children safe.

Yours sincerely,

Mrs A. Howarth
