Dear Parents and Guardians,

I hope this finds you all well.

With this letter, your child will be bringing home an *Acceptable Use Agreement for Technology*.

This agreement is for you, as parents or guardians, to read through, talk to your child about it, sign it if you agree, noting your child's name, and return.

Your child will be reading, agreeing to and signing their own copy in school, using a child friendly version.

This is part of our Online Safety policy and Safeguarding policy and our continuous work to help keep children safe online both here in school and at home.

I have also included a GDPR sheet for how the agreement will be stored and also an agreement for use of videos and images of children, how they will be used and how they will be stored. Again, I would appreciate it if you could sign, date, with your child's name and return.

Please return these as soon as possible and as always, if you have any questions, please do not hesitate to ask a member of staff.

Many thanks for your continual support.

Kind regards,

Annalisa Howarth  
Headteacher
