Dear Parents and Guardians,

As you know, here at school, we like to take every opportunity we can to provide the children with exciting, fun and sometimes new learning experiences. As part of this, we like to get out and about (and for free!) as much as we can.

So we can cut down on paperwork for permissions, we have decided as a Senior Leadership Team and with Mrs Gardner and Mrs Galka, we have created a list of what will be referred to as *Local Area Visits*. These are visits that whilst not on school grounds are nearby, can be accessed on foot and are easy to get to.

We are asking for 'blanket' permission for these trips. By this, we mean for you to sign the permission slip below and return it, giving permission for your child to visit the places listed at any point during the academic year 2024/2025.

For any trip, we will of course notify you with details in advance, however, this will be by Parent Message through The School App. Staff will also of course complete a risk assessment for them.

We also often ask you for permission for photos or videos to be taken of your child to be used on our Website, X, Facebook and Instagram platforms. Please could I also ask you to sign and indicate permission below for this also. Please note, we never knowingly name children with their image

Many thanks as always for your continual support and care and as always, any questions, please just ask!

With kind regards,

Annalisa Howarth
Headteacher
