Dear Parents, Guardians and families,

It is with immense sadness that I am having to write this letter to you.

We were informed yesterday afternoon of the tragic death of one of our children from Year 1, Ameerah.

We are all feeling utter shock and disbelief here in school as a staff team family.

As you read this, you may quite well feel numb, be in total disbelief and have feelings of incomprehensible shock, however we are here for you, your children, your families and of course Ameerah's family at this tragic time.

Today, I have spoken with all children as groups and classes and I am working closely with our Local Authority, acting on advice and guidance to ensure all children are supported appropriately.

At this time, I cannot share any further details and I ask, on behalf of the family, for their privacy to be respected.

We as one will be keeping Ameerah and her family in our love, thoughts and prayers.

Please do contact me if you need support of any kind. This is a tragic and awful situation for anybody to go through, but we will be supportive for all and continue to be so.

With kindest regards, love and prayers,

Annalisa Howarth
