Dear Year 2 Children and Parents,

I am delighted to send you your SATs results with your report.

To say I am proud of you children is a total understatement!

Children... You have shown how hardworking, determined to succeed and fabulous you are this year! You have not had a full year in school EVER! You have missed out on a full Reception and Year 1 school year, but you would not know that by seeing what you have achieved this year!

You should all be very, very proud of yourselves and all you have achieved regardless of what is going on around you.

I always say that tests only test what you know academically. They do not test who you are nor do they define you as a person, as the kind, caring, sensitive, understanding, positive, generous, amazing funny, friendly, happy individuals you are. Thank you for being you, thank you for being great and well done!

Parents...Thank you! You have been there for your children, supporting, caring, encouraging, nurturing and have made them who they are today. You have also supported us as a school family, thank you. Your children have worked exceptionally hard ALL year their achievements reflect this. They have all made great progress. They are all well-rounded, unique, polite, confident and amazing individuals not to mention funny, happy and simply brilliant, who have been a credit to not only our school, but also to you, their parents.

Sadly this is not formally assessed but without doubt they are qualities possessed by them all and ones which we admire them for. If they were assessed on their personal qualities, rest assured, they would ALL be reaching top scores!

Well done children, you are all stars!

Many thanks for your continual support. Children, remember to keep up your greatness and brilliance and continue to shine!

Kind regards,

Annalisa Howarth

Headteacher
