Dear Children and Parents,

Many children and parents have been asking about how we can safely send Christmas cards this year.

A good question!

However, one I think I have an answer for after discussing it with staff. I am proposing if you wish to send cards (please do not feel you have to!), we are asking for them to be sent into school directly to class where they will be placed in a 'quarantine box'. Unfortunately we will not be able to use our usual Christmas card post box, however, I am sure classes will use their creative skills to make amazing collection boxes!

Please could you send in cards by **Wednesday 9th December** at the latest. We can then quarantine them and distribute within classes on Friday 11th December.

Please do not hesitate to get in touch if you have any questions.

Many thanks for your continual support, especially in this busy run up to what promises to be one of the most unusual and different Christmas times ever! However, together we can do it, safely, securely and with lots of fun and smiles!

With kind regards,

Annalisa Howarth
