

Curriculum Intent for PE at English Martyrs' Catholic Primary School

Within our curriculum, we ensure all children are prepared for life, with the skills they need to achieve, aspire and accomplish both academically, physically and spiritually, regardless of their faith, creed or race; meeting every child's potential and their needs. At English Martyrs' this includes meeting the needs of a very mixed community representing a broad range of faiths, ethnicities, creeds and socio-economic circumstances: a significant proportion of children with high needs and are disadvantaged; children living in high social deprivation, asylum seekers, vulnerable children and families who seek security and safety in our school family.

Our intent is for learning without barriers so that all children can succeed.

Our Intent is to meet these needs by...

- ...providing a sports curriculum that enables all children to participate.
- ...providing sporting opportunities that otherwise they would not be able to participate in.
- ...providing children with the life skills they need to pursue and enjoy a healthy life and lifestyle.
- ...educating children in healthy living.
- ... treating every individual child as a unique and valued member.
- ...providing a curriculum that is rich and broad, with high expectations and a culture of challenge for all.
- ...giving children opportunities to develop their own sporting skills.
- ...giving children the opportunities to participate in a variety of sporting clubs.
- ...supporting children's mental and emotional health through active lifestyles.
- ...developing healthy competitiveness within sports whilst working collaboratively as a team.
- ...providing all children with a bespoke and tailored curriculum to meet their individual needs, including in Blended Learning.
