

Curriculum Intent for Music at English Martyrs' Catholic Primary School

Within our curriculum, we ensure all children are prepared for life, with the skills they need to achieve, aspire and accomplish both academically and spiritually, regardless of their faith, creed or race; meeting every child's potential and their needs. At English Martyrs' this includes meeting the needs of a very mixed community representing a broad range of faiths, ethnicities, creeds and socio-economic circumstances: a significant proportion of children with high needs and are disadvantaged; children living in high social deprivation, asylum seekers, vulnerable children and families who seek security and safety in our school family.

Our intent is for learning without barriers so that all children can succeed.

Our Intent is to meet these needs by...

- ...providing a music curriculum that enables all children to participate.
- ...providing music opportunities that otherwise they would not be able to participate in.
 - ...educating children in music appreciation.
- ... treating every individual child as a unique and valued member.
- ...providing a curriculum that is rich and broad, with high expectations and a culture of challenge for all.
 - ...giving children opportunities to develop their own music skills.
- ...giving children the opportunities to participate in a variety of music activities both within and outside of curriculum time.
 - ...supporting children's own musical abilities.
- ...providing all children with a bespoke and tailored curriculum to meet their individual needs, including in Blended Learning.
