100 Books before I leave!

The more that you read,
the more things you will know.
The more that you learn,
the more places you'll go.

At English Martyrs' Catholic Primary School, we recognise that Reading forms the foundation of ALL learning and is the basis of all future success.

Our Reading Challenge of '100 Books before you leave!' has been devised to encourage all children to read and for children to spend time with their families reading together, reading some of the many greatly loved stories of our rich literacy heritage. They have been selected by the Times Education Supplement and the National Association for the Teaching of English.

The books on this list can be read by the children independently, as part of classroom reading or at home with family and friends.

The challenge is to have read all the books on the list before you leave us for pastures new at the end of Year 6, ready to share your reading expertise on whichever future paths you follow.
