

English Martyrs' Catholic Primary School

Year 1 Topic Web Spring Term 1 (2022-2023)

Welcome to Spring 1 term.

I hope everyone has had a lovely, safe and restful Christmas. The children were so settled and busy last term we are going to strengthen our skills and learn, learn, learn this term! Remember inside your child's reading record will be a Purple Mash and also a My Maths log in. Thank you for supporting your child's learning at home, it really does help. Remember to read each day, even if it is little but often. If you have any problems engaging your child in reading please contact me. We will be keeping a track of all the reading the children are doing. I can see lots of progress in the children already. This term P.E. will take place on Wednesday with Yoga and Thursday with Sports Coach; the correct kit is required in school at all times. Your homework will be set on a Friday; this is to be completed online or paper based and submitted by the following Thursday. Weekly sounds linking with the phonics phase the children are working at will be handed out on a Friday and tested on Thursday morning, or if on spellings, these will be set and assessed on the same day.

If you have any worries, concerns or questions please contact me,

Mrs De Carteret at EMYear1@englishmartyrs.lancs.sch.uk

Maths

- Sequences
- Data
- Place value
- Measures
- Number sequencing
