

English Martyrs' Catholic Primary School Safeguarding Policy for our children

What is safeguarding about?

At English Martyrs', all of the adults around you think that your health, safety and welfare are very important. In our school we respect all children and want to keep you safe and help to protect your rights. We do our best to help you to make good progress in your schoolwork and to be happy. We teach you how to recognise risks in different situations and how to protect yourselves and stay safe.

Need to talk? We listen!

You can talk to any adult in school.

It is **every** adult's job to keep you safe - talk to if you are worried.

Mrs Howarth, Mrs Abbas, Mrs Thomas and Mrs Hewitson are our Safeguarding Leads to keep everyone safe.

What is bullying?

"Bullying is when someone says unkind things or won't play with you over and over again."

"Bullying is when somebody hurts you on purpose".

"Bullying includes actions such as making threats, spreading rumours, attacking someone physically or verbally, and leaving someone out from a group on purpose".

How will we try to protect you?

We will LISTEN!

We think it is important for you to know where to get help if you are worried or unhappy about something.

We will provide a safe environment for you to learn in.

We want to ensure that you remain safe, at home as well as at school.

Our school define bullying to be repetitive, hurtful, and intentional and involves an imbalance of power.
